### TECHNICAL DATA SHEET

#### PRODUCT NAME:

ARCTIC MELT SUPER DE-ICER

CODE: 7853-IM3

#### DESCRIPTION:

As a natural, high performance ice controller, **ARCTIC MELT SUPER DE-ICER** is a significantly safer product to use and kinder to our environment than most common products on the market today.

#### PERFORMANCE:

**ARCTIC MELT SUPER DE-ICER** is certified to melt effectively down to -25°C, well below most other ice melters.

#### SAFETY:

**ARCTIC MELT SUPER DE-ICER** is substantially less toxic, according to the US Department of Health and Human Services studies, than many other common ice melters. It is much less irritating to the skin, and does not create a slick, oil-like film or leave a residue to soil carpets.

#### COST EFFECTIVENESS:

**ARCTIC MELT SUPER DE-ICER** greatly reduces, if not eliminates, the cost of after-season clean up and maintenance.

- ✓ No residue, no fillers means nothing is left in the spring to clean up
- ✓ No filler means that foot or vehicle traffic will not move abrasive material into common area where floors or carpeting will be at risk – NO DAMAGE
- ✓ Safe for use in and around green areas. This product is 100% biodegradable.
- ✓ Will not damage concrete or asphalt surfaces.
- ✓ Will not corrode metal, thereby reduced costs from wear and tear on vehicles can be realized.

#### THE ENVIRONMENT:

On a pound for pound basis, **ARCTIC MELT SUPER DE-ICER** contains one-third fewer chorines than many other ice melters. It is safe around vegetation, as a form of **ARCTIC MELT SUPER DE-ICER** is used as an ingredient in some fertilizers. It is safe on concrete and does not corrode metal.

#### DIRECTIONS FOR USE:

**TOTAL ICE CONTROL** – Apply 2 – 4 oz. evenly per square meter of ground to be covered. Shovel off resulting slush. Thick accumulations of ice may require additional applications. For best results, first remove all loose snow and slush from drives, steps and walks. **ARCTIC MELT SUPER DE-ICER** is very effective in reducing ice and snow accumulations when applied just as snow is beginning to fall.
