CODE: 7838

NEUTRAL AIR DEODORIZER & ELIMINATOR is a liquid deodorant that is used as an odor neutralizer, not just a masking agent that is concentrated and ready to use.

It can be added to your carpet shampoo or scrub solution in the mop bucket to eliminate musty mildew odor. For carpet deodorizing add 60 -120 ml (2 – 4 oz) per gallon of mix.

NEUTRAL AIR DEODORIZER & ELIMINATOR leaves no residue and will not stain.

NEUTRAL AIR DEODORIZER & ELIMINATOR can also be used separately as a room deodorizer. For room deodorizing add 250 – 500 ml (8 – 18 oz.) per gallon of water.

Spray **NEUTRAL AIR DEODORIZER & ELIMINATOR** high into the air to reduce air-borne bacteria and room odor.
