TECHNICAL DATA SHEET

PRODUCT NAME:

SUPER SOLV EXTRA CLEANER / DEGREASER

CODE: 7815

DESCRIPTION:

SUPER SOLV EXTRA is a general, all-purpose cleaner/degreaser, which can be used for a variety of heavy duty cleaning tasks. It is excellent for all types of machinery, as well as plant floors, decks, workbenches, stairs, doors, walls, etc. This powerful cleaner quickly dissolves grease, grime, oil deposits, dirtspot, carbon and floor wax while being low foaming and free rinsing. **SUPER SOLV EXTRA** can be applied with a spray bottle bucket, or for larger cleaning jobs, an automatic pressure washer. **SUPER SOLV EXTRA** is completely biodegradable, non-flammable and when used as directed, safe on any washable surface.

DIRECTIONS FOR USE:

Depending upon degree of soil, **SUPER SOLV EXTRA** can be diluted from 1 – 80:1, making this powerful cleaner very economical.

The following table is a guideline to recommended dilutions, using either hot or cold water (hot water will speed up the cleaning power).

DILUTION RATE	USES
2:1	Shower stalls, swimming pools
4:1	Concrete floors
8:1	All aluminum surfaces, all ferrous and non-ferrous metals, heavy grease and oil deposits
10:1	Removal of wax and synthetic resin emulsions
16:1	Removal of light grease and oil deposits
20:1	Cleaning industrial equipment, trucks, tractors, trailers, machinery and greasy walls
40:1	Ducts, grills, refrigeration and air conditioning units
50:1	General floor maintenance – NOT for heavy duty stripping
60:1	Office tiles, lockers, cabinets
80:1	Painted walls, glass fixtures, windows, ceramic surfaces

NOTE: All surfaces subject to food contact must be thoroughly rinsed with potable water.
