TECHNICAL DATA SHEET

PRODUCT NAME:

THUNDER GRANULAR DRAIN OPENER

CODE: 6278

DESCRIPTION:

THUNDER GRANULAR DRAIN OPENER is an industrial strength drain opener.

DIRECTIONS:

Clogged Drains: Remove standing water. Remove strainer if possible and slowly pour 1 cup into drain. **DO NOT** stand over or look into opening. Allow to work for 5 – 10 minutes. Flush with **COLD** water only. Repeat application if necessary.

Regular Drain Maintenance: Use ¼ cup once weekly in each drain.

Toilets: Add 1 cup at a time. Flush immediately or heat may crack bowl.

Large Floor Drains: Slowly pour ½ contents into opening and allow to work for 15 – 30 minutes. Flush with **COLD** water only for at least 15 minutes. Repeat if necessary.

Septic Tanks: Use 1 bottle per 500 litres capacity.

NOTE:

This container is hazardous when emptied. All labeled hazard precautions must be observed.

DANGER: Not to be used with other chemicals or on aluminum, wood painted surfaces or floor coverings. Corrosive. Causes severe burns. Risk of serious damage to eyes.

CAUTION: Keep away from sources of ignition. Handle chemicals in a cautious and clean manner. Avoid contact with eyes, skin and clothing. Wear eye protection. Do not breathe vapor. Do not use after other drain openers or when any other chemical is present in the drain, as violent reaction or release of harmful gasses may occur.

FIRST AID: In case of contact, flush eyes or skin with plenty of water for at least 15 minutes. Call a physician immediately. If swallowed, **DO NOT** induce vomiting. Rinse mouth with water. Drink large quantities of milk or water. Do not give anything by mouth if victim is unconscious. Get medical attention immediately.
