TECHNICAL DATA SHEET

PRODUCT NAME:

WINDSHIELD WASH CONCENTRATE

CODE: 25-229

DESCRIPTION:

WINDSHIELD WASH CONCENTRATE is an economical cleaner that quickly and effectively clear windshields of dirt. Will not streak and dries quickly with no film or residue. Prevents ice build up on windshield.

DILUTION:

May be diluted at different ratios. Average dilution is 1:5 (1 part solution: 5 parts water)

APPLICATIONS:

Cars, Trucks, Buses and all other types of vehicles

CAUTION:

Contains methanol, which can cause blindness. Can cause blindness if swallowed. Very toxic (by ingestion and inhalation). Harmful if absorbed through the skin.

PRECAUTIONS:

Always wear rubber gloves and safety glasses. This container is hazardous when empty. Obey all label warnings. Always store in a cool dry area at all times.

FIRST AID:

If splashed in eyes or on skin, flush with plenty of water for at least 15 minutes. If irritation persists, call a physician. If ingested, do not induce vomiting and get medical attention immediately. If inhaled, remove victim to fresh air. If victim is unconscious, begin artificial respiration.
