TECHNICAL DATA SHEET

PRODUCT NAME:

XSORB ALL PURPOSE ABSORBENT

CODE: XB25D

INDOOR: XB110P

Instantly contains and absorbs liquids on contact.

- Turns difficult liquid waste into solid waste for easier disposal.
- Cuts disposal costs by producing less weight and bulk than other absorbents.
- Absorbs even tough spills such as emulsified oils, biologically hazardous waste, toxic waste water, or hazardous material spills
- For use by oil refineries, nuclear power plants, haz-mat response teams, facilities using hazardous or toxic chemicals and many others
- Absorbs up to 23 times its weight
- Approved for solidification of contained liquids prepared for landfill disposal
- Non-leaching

OUTDOOR: XB25D

This dry clean-up absorbs liquids on contact, making it easy to simply sweep spills away.

- Outdoor All-Purpose formula for all types of liquid and semi-liquids
- Heavier formula stays down even in light windy conditions
- Leaves surfaces completely dry and non-slippery
- Easily handles even tough spills such as oil, grease or paint.
- Non-toxic and environmentally friendly
- Absorbs 12 times more than clay
- Saves labor time and costs
- Not for use with hydrofluoric acid
- Absorbs up to 34 quarts
